International Left Handers Day is August 13<sup>th</sup>. Sinister is almost verbatim for left-handed - a compliment!  
 Gauche - French for left - meaning clumsy. Left friendly sports: Swimming / horses. Left handed execs earn 5% more than right handed ones. Initially prepared by Bruce from 3 sources, including Patrick's daily calendar, July 8/97.  
 Incas revered left handed people, saw them as bringing good fortune!

Bruce can be reached at 403 - 241- 6212 or BruceLeeSpeaker@shaw.ca for additions or corrections.
